

We are *hiring!*

YOUTH PASTOR

Dear Candidate,

Thank you so much for your interest in Christ Church W4. We are a multisite church with a growing community of children, young people, and families, and we sense that God is doing something exciting among us in this season. We are now looking for a Youth Pastor who is passionate about seeing young people meet Jesus, grow in discipleship, and step confidently into the life and purpose God has for them.

This role is all about investing in the next generation. You'll be building relationships, shaping a culture of worship and prayer among our young people, with a deep devotion to the Bible, and developing a team of volunteers who share your desire to see teenagers come alive in their faith. You'll also have the opportunity to help us expand and reimagine youth ministry across our sites and our community, including contributing to the future use of our developing Acton Green building project (due to begin in 2026).

As part of our team, you will be someone who deeply loves Jesus, is committed to their own spiritual life, and who knows how to partner with the Holy Spirit in ministry. At the same time, you'll bring creativity, initiative, and the ability to lead with warmth, energy, and direction.

If this stirs something in you—if you long to see young people encounter God in transformative ways—then we would be delighted to hear from you. We look forward to exploring this calling with you.

With every blessing,

In the foreground, the backs of several people's heads are visible as they sit in the pews, with many of their hands raised in the air in a gesture of worship or praise.

Our Vision: Welcome *home*

*One church, three sites in West London, with
a dream - to see all welcomed home into,
and *transformed* by the love of God.*

Our 'Welcome Home' vision statement reflects our desire to help call people back into God's loving embrace:

To Worship: To worship and enjoy God, being shaped, revived, challenged and nurtured.

To God: We exist to welcome each other home into God's radical, life-changing, saving love.

To Adventure: To be sent out joining God in great creative adventures which renew all things and call others home.

We long that all people would be confident that they are loved, accepted and valued by the living God, the Father – with God getting all the glory for all He enables us to become and do.

We worship Jesus in Spirit and truth, as people from all ages and backgrounds, and long for children and young people to live life in all its fullness, ministering to the whole church family.

We pray that our buildings bless the whole community, with space to meet God, make friends, and live like Jesus.

We adventure with God as our people become a movement of disciples, equipped to follow Jesus Monday through Sunday at home and in the workplace – this is how we change the world, because we did the 'ordinary' things well in partnership with God and all His children.
