

Vacancy for a Children and Families Worker

St Mary Magdalene's Church in the Parish of Prudhoe wishes to appoint a full time Children and Families Worker. It is for an initial period of three years with the hope that it remains a permanent position thereafter.

Might God be calling you to serve in our town? Our prayer is to see our ministry with families and young people grow, both reaching out to new families, and providing more opportunities for them to join us and to hear the gospel, and also to strengthen, support and encourage the families we have already. We are looking for an enthusiastic, insightful and strategic person to share in the ministry of the church and help us build on our current work.

Key to this role is working with both the parents and children of families in church as well as amongst the five local schools and numerous youth uniformed organisations in Prudhoe. Our prayer is to see Christ proclaimed, known and loved amongst families in Prudhoe
